The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth HOB  
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the Realign SB JFB at Station Loop Road project in fiscal year 2024. The entity to receive funding for this project is the Greater Orlando Aviation Authority, located at 1 Jeff Fuqua Boulevard, Orlando, Florida 32827.

The funding would be used for design and construction of road improvements to the main cordon line south of Orlando International Airport. The project is an appropriate use of taxpayer funds because the proposed conceptual improvements to this intersection will simplify the traffic movements, reduce congestion, decrease pollution from idling vehicles at red lights and improve overall traffic.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C 5305(a)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Darren Soto".
